

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

#### SEVENTH AWARD OF THE BRUCE MEDAL.

---

At a meeting of the Board of Directors of the Astronomical Society of the Pacific, held on November 30, 1907, the Bruce Gold Medal of the Society was awarded to Professor EDWARD C. PICKERING, director of Harvard College Observatory, for distinguished services to astronomy. Professor PICKERING'S letter accepting the honor may be found near the end of this number, under the minutes of the meeting of the Board of Directors held on November 30th. The presidential address, reviewing the life and works of the seventh recipient of the Bruce Medal, will be delivered at the annual meeting of the Society, to be held on March 28th.
